TERMS GOVERNING SALE

This is a public auction sale, and is conducted by RARE COIN COMPANY OF AMERICA, with trade name RARCOA.

The highest bidder shall be the buyer, and if any dispute arises between two or more bidders, the lot in question shall be put up again.

MAIL BIDS WILL BE ACCEPTED FROM THOSE WHO CANNOT ATTEND THE SALE IN PERSON.

When bidding by mail, we suggest that you put on your bid sheet, the absolute maximum price you are willing to pay for each lot. This DOES NOT MEAN that you will have to pay that amount in order to obtain the lot. It merely enables our agent who bids in your stead, to act for you more intelligently. You will pay only the proper advance over the next highest bidder, and this amount is often less than the top amount on your bid sheet.

With the preceding information, you can understand why we cannot accept "BUY BIDS" or "UNLIMITED" bids. If two collectors sent in "BUY" bids on the same lot, what could the auctioneer do?

NO CHARGE OR COMMISSION will be made for executing your bids, but postage or shipping, plus insurance, will be added to invoice.

Lots delivered in the State of Illinois, will be subject to the Illinois 5% Sales Tax.

AUCTION SALES ARE STRICTLY FOR CASH, AND MUST BE PAID FOR PROMPTLY IN U.S. FUNDS. Persons unknown to us when bidding by mail, must include a deposit of 25% of their bids. This amount will be returned, if bids are unsuccessful.

ANY LOTS PURCHASED BY FLOOR BUYERS MAY NOT BE RETURNED. No lots purchased by mail bidder may be returned without written permission. THIS IS NOT AN APPROVAL SALE, and you are expected to keep, and pay for, any lots that you purchase.

ERRORS WILL BE CORRECTED, but all claims for adjustment must be made in writing within 5 days after receipt of goods. Title remains with RARCOA, until all goods are paid for in full.

ALL PHOTOGRAPHS IN THIS CATALOG ARE OF THE ACTUAL ITEMS SOLD

Lots may be inspected in our offices beginning Monday, January 11, 1971 from 9:00 A.M. till 5:00 P.M. each day and on Saturday until approximately 1:00 P.M. No lots will be shown at the LaSalle Hotel, absolutely!

Lots purchased on the floor may be picked up at our offices after each session of this auction.

FIRST SESSION

FRIDAY, JANUARY 15, 1971

7:00 P.M.

**Auction to be held in the Lincoln-Douglas Room located on the
18th Floor of the LaSalle Hotel, Chicago, Illinois**

UNITED STATES HALF CENTS

1. 1793 First year of issue. G-3. ABOUT GOOD with large planchet peel on cheek. The date is weak but distinct. A good space filler for this RARE one year type coin.
2. 1797 Plain edge, date distant from bust. G-3. VERY GOOD with planchet clip at one o'clock. Slightly rough surface.
3. 1804 Crosslet 4, with stems. Spiked chin with protruding tongue. G-8. This is an example of a highly advanced die state where the die cracks listed in Gilbert have advanced large die breaks or "cuds" that extend around half of the reverse rim. Virtually EXTREMELY FINE with small rim nick opposite the tongue.
4. 1805 Small 5, with stems. GOOD. Very unusual in that it has the counterstamp "E : R" in a rippled edge box on the reverse, and portions of an "R" stamped on the obverse.
5. 1805 Small 5, stemless. G-1. VERY FINE but has been cleaned. Upper stroke of "5" is double cut.
6. 1834 Nice sharp EXTREMELY FINE.
7. 1854 Sharp EXTREMELY FINE.

UNITED STATES LARGE CENTS

8. 1794 Head of 1795. S-72. Reaches EXTREMELY FINE but has slightly rough surfaces. Very attractive.
9. 1798 Small 8, Style 2 hair and letters. S-174. Virtually all hair and detail are visible on this coin. However, it is somewhat weakly struck and is on a dark and slightly porous planchet. Otherwise, the coin is EXTREMELY FINE.

12. 1849 EXTREMELY FINE.
